RECOMMENDATION LETTER

I'm writing this letter in support of **Mr. Muhammad Awais,** Registration No. UW-19-CS-BS-086, who is my student of BS Computer Science at University of Wah, Wah Cantt. I know him. I have taught him the course of **"Digital Image Processing".** I found him as a quick learner, sincere and hardworking student. He has the inquisitive mind and participates enthusiastically in all class activities. His psychomotor learning skills were exemplary. His practical work skills are outstanding.

The medium of instructions in this university is English. He has excellent communication skills along with proficiency in oral and written language. He is an excellent team member as well as team leader. He can produce excellent team results. His colleagues and his peers like his performance in all team activities.

Due to his analytical abilities and inquisitive mind, I can foresee him to perform with excellence in his research work and in his higher studies.

I have no hesitation in recommending him for higher studies in any institution of international repute.

I wish him a rewarding future and excellent career in his field of interest.

Dr. Javeria Amin
